 Subject: Network Solutions-Correction

Dear Gayle Newcomb,

Thank you for contacting Network Solutions Quality Processing Department. We are committed to creating the best Customer experience possible. One of the first ways we can demonstrate our commitment to this goal is to quickly and efficiently handle your recent fax request.

We apologize, but while we have received your Registrant Name Change Agreement (RNCA) for the registration of the domain names listed below:

- ladiesofwin.org
- ladiesofwin.com
- womeninnovationnetwork.org
- womeninnovationnetwork.com

We are unable to process it due to the reasons outlined below.

**Signature Block Incorrect**

The Current Registrant's signature block in Section 4 was not appropriately filled out. Please provide the appropriate organization, signature, and printed name of the signor.

**Photo Identification Missing**

The authorization letter was not accompanied by a valid proof of identity.
